

# LEADERSHIP LOUISVILLE

## A LEADERSHIP PROGRAM THAT **DEEPENS YOUR CONNECTION TO THE COMMUNITY AND YOUR CAPACITY TO MAKE A DIFFERENCE.**

For over 40 years, The Leadership Louisville program has been part of the fabric of our community. A competitively selected class of 60 of our community's most influential leaders gain a true understanding of the people and issues shaping Louisville's future. Both lifelong residents and those new to Louisville learn more about the over 10 months – exploring a new sector each session. Carefully designed cohorts and curriculum provide an unmatched experience.

“My awareness as a leader grew from the myopic focus inside my organization to a strategic view into the community as a whole. I now see how every sector of our community is tied together and our businesses can collectively help the community grow and not only sustain over time, but thrive. We are better together and working as a community can build greatness.”
