

# LISA ZANGARI

Vice President, Leadership Louisville Center

Lisa is an executive coach and Vice President at the Leadership Louisville Center and is a frequent speaker at events and conferences around the region. The Center is a national leader in civic engagement and leadership development whose purpose is to inspire and equip leaders to BE BETTER and DO BETTER. Her work has been published in *TD Magazine* and in 2017, Lisa was also recognized as one of Business First's *20 People to Know in Career Development*.

Prior to joining the Center, Lisa spent over a decade as a management consultant in New York City, where she partnered closely with organizations to develop new products, launch new ventures and nurture more innovative corporate cultures. She's designed numerous leadership programs for companies like AARP, Abbott Pharmaceuticals, Citibank, Disney, Hasbro, Pfizer, The Acumen Fund, The Hershey Company, and more. In addition to leading a team in North America, this invigorating work gave Lisa the opportunity to travel to Africa, Asia, Latin America, and Europe.

Lisa is active in several community organizations and serves on the boards of a local food-access nonprofit, and the Kentucky Center for the Performing Arts. She holds a bachelor's degree in psychology and earned her M.B.A. from Texas A&M University.

## LOOKING FOR A SPEAKER?

Lisa can bring her hallmark energy and expertise to your team with one of her **60-90 minute interactive presentations!** If one of these topics sounds like it fits your needs, we'd love to learn more and see how we might partner.

### Authentic Leadership for Women

Research now shows that female leaders naturally have more of the competencies required to be successful in the 21st century. This interactive talk will explore how women leaders can recognize and nurture these natural assets. We will also examine some of the barriers that make it hard for women to rise in the executive ranks and share strategies to overcome these obstacles.

### Communication that Inspires and Drives Results

A well-told story captures attention, stirs emotion, and inspires action. Whether you need someone to support your organization, invest in your idea, or get excited about following your lead, refining your communication and storytelling skills is directly linked to driving results and engagement. In this interactive session, you will learn a structure for crafting and delivering compelling business stories and presentations that you can start using immediately.

### Developing & Leading High-Performance Teams

Leading a high performance team can be one of the most rewarding experiences of your career – and also one of the most challenging. This talk can be tailored to focus on three or four of the Six C's for High Performance Teams: Conscious Leadership, Common Purpose & Shared Goals, Communication, Collaboration, Conflict Management and Celebration.

### Five Strategies for Resilience and Growth

The way we respond to life's challenges is often determined by our mental strength and emotional agility. The good news is that our ability to bounce back – resiliency – is a skill that can be developed and strengthened. By understanding which mindsets and beliefs block our resilience and which ones boost it, we can take control and show up as our best selves more often. This session will give you tips and techniques that you can use to overcome the things that set you back and strengthen your mental game for the things still to come.

### Find Your Voice & Kick Some Glass

Having a diverse executive team increases success -we all understand how important it is. However, the data shows that we are not achieving that sought-after inclusive leadership pipeline. At the individual level the struggle to find your voice is often recognized in women, but the challenge is prevalent for any marginalized population. This talk shows you how to help your people find their voice and how this can infuse more diverse leaders into your pipeline.
